

University Pre-sessional **English Courses**

Why the LSI Portsmouth Pre-Sessional?

- **History and reputation:** LSI Portsmouth was founded in 1985 and has been offering recognised Pre-Sessional courses since 2002. In the last five years we have enabled over 1,000 students to join their chosen degree programmes.
- **Direct progression:** By passing the LSI Pre-Sessional, you will be able to progress directly onto your degree programme without taking a further IELTS test.
- **Range of university partners:** Our courses are recognised by a range of high quality partners across the UK, who offer a huge variety of programmes.
- **High quality teaching:** All of our Pre-Sessional teachers are highly qualified and have either a Master's or a Diploma in English language teaching. Our teaching across the school has been recognised as a point of strength by the British Council.
- **Individual support:** Small class sizes (maximum 12) mean that our teachers are able to offer extensive focused support to each individual. This is one of the reasons for our 98% pass rate.
- **Effective course:** We offer a carefully structured and well-organised course which is designed for maximum impact to give you the best preparation possible for your university course.
- **Excellent facilities:** 55 well-equipped classrooms, a student lounge, two study centres and a restaurant on the ground floor. We also have access to both Portsmouth City Library and Portsmouth University Library.

Course lengths and entry scores required

LSI Portsmouth offers a range of short and extended courses from 4 to 36 weeks which mean that we can meet a wide range of needs. We also have three intakes a year for most courses so that you can finish in time for September and January intakes and avoid studying during Ramadan if you wish. The course that you'll need will depend on your current English level (based on a recent IELTS score) and the English requirements needed for your chosen university course (as outlined in your offer letter). Please see the table below to work out which course you need.

Language levels

The levels required for each course are as follows:

Level required in offer letter	Course length	IELTS required to start the course
6.5 with nothing less than 6.0 (Some Master's courses)	36 weeks	No minimum score required
	20 weeks	4.5 with nothing less than 4.0
	16 weeks	5.0 with nothing less than 4.5
	11 weeks	5.5 with nothing less than 5.0
	7 weeks	6.0 with nothing less than 5.5
6.0 with nothing less than 5.5 (Most Master's and Bachelor's courses)	36 weeks	No minimum score required
	20 weeks	4.0 with nothing less than 3.5
	16 weeks	4.5 with nothing less than 4.0
	11 weeks	5.0 with nothing less than 4.5
	7 weeks	5.5 with nothing less than 5.0
5.5 with nothing less than 5.5 (Foundation courses and 2+2 joint Bachelor's programmes)	36 weeks	No minimum score required
	20 weeks	4.0 with nothing less than 3.5
	16 weeks	4.0 with nothing less than 4.0
	11 weeks	4.5 with nothing less than 4.5
	7 weeks	5.0 with nothing less than 5.0
Unconditional	4 weeks	No minimum score required

Both individual and overall IELTS (or equivalent) scores will be taken into account when assessing length of course needed. For example, if you have 4.5, 4.0, 6.0, 5.0 for reading, listening, writing and speaking and 5.0 overall, and your offer letter requires 6.0 with nothing less than 5.5, you would need to do a 16 week course. This is because the biggest difference is between the current and required reading score (current: 4.0, required: 5.5). This is a difference of 1.5 bands and this requires a 16 week course. In some exceptional cases, students with uneven profiles which do not meet standard entry requirements may be accepted. Admission under these circumstances is entirely at the discretion of LSI Portsmouth.

If you are applying for a Tier 4 Visa, you will need to have a minimum of IELTS 4.0 overall and for each individual element. If you are applying for a Student Visitor Visa, you will need a minimum of IELTS 4.0 overall with no element below 3.5.

Visa

For Pre-Sessional courses, unless you are exempt, you may require a valid visa. To find out if you will need a visa for your course, please visit: <https://www.gov.uk/check-uk-visa>

If required, you must apply for a visa at your local UK Embassy visa office in your home country. You may apply for a Short-Term Study Visa or a Student Visa. Student visas will either be sponsored by LSI Portsmouth or by your university.

Student visas sponsored by LSI Portsmouth will cover your Pre-Sessional course only and you will need to return home at the end of the Pre-Sessional course in order to apply for a visa to cover your degree programme. This will be sponsored by your university.

If you are on an 11, 7 or 4 week course and have an offer for the University of Portsmouth, you may apply for a Student Visa which is sponsored by the University of Portsmouth. This covers both your Pre-Sessional course and your degree programme. In this case, you do not need to return home to renew your visa at the end of your Pre-sessional course.

All students applying for a Student Visa will need a CAS Number (Confirmation of Acceptance of Studies Number). If you are applying for a visa which covers your Pre-Sessional and your degree programme, you will get this number from your university. If you are applying for a visa which covers the LSI Pre-Sessional only, you will receive your CAS number from LSI Portsmouth. In order to get a CAS number, you will need to send the following:

- A copy of your passport
- A copy of your current Secure English Language Test (SELT) certificate
- A copy of your university offer letter
- Proof of payment of the tuition fees for your course

Accommodation

We understand how important it is for you to be happy where you are living whilst you are studying with us. We will do everything we can to give you the best option to suit your needs and to help and support you with your living arrangements.

HOMESTAY:

Staying with a homestay family is the ideal way to improve your English and learn more about British life and culture. All our homestay accommodation is organised by the school and many of our families have been hosting our students for years.

There are very few language schools in a city of 200,000 people, so we have the choice of some of the very best families.

INDEPENDENT ACCOMMODATION:

You could also stay in independent accommodation which you find for yourself. During the summer, accommodation may also be available in the University of Portsmouth's halls of residence (subject to availability). This is independent self-catering accommodation.

Please note that if you stay in halls, you will need to pay the full accommodation charge at the time of booking and this will be non-refundable. You will also need to give 4 weeks' notice if you want to leave.

Please contact LSI Portsmouth for further information.

Our Social Programme

We know that learning a language doesn't just take place in the classroom; social activities give you the perfect opportunity to practise your English while having fun and making friends. We have a full-time Social Programme Organiser whose job is to help you meet new people and get to know Portsmouth and the UK. There is at least one activity every Monday to Saturday, including sporting events, nights out, and cultural and educational activities. Come and join in the fun!

It was great learning English while having fun and meeting people from all over the world. I met really special people and the time I spent with them in beautiful Portsmouth will be unforgettable
