

THE LSI JOB CLUB

Welcome to our Job Club, designed to give you all the tools you need to find a job here in the UK.

As well as information to help you find work, we also hold a Job Club 'Clinic' on Friday afternoons; this is your opportunity to ask for personalised help with your CV, practise interview techniques or ask any questions. All this for free! There will be a teacher there to help you – you just have to sign your name on the Job Board to participate.

After 4 months studying at LSI, Marco from Italy wanted to stay in Portsmouth. He managed to find a job working at Portsmouth's most iconic tourist attraction, Spinnaker Tower, where he could be found taking visitors' pictures and helping in the shop.

When?

Friday afternoons at 1.45pm

We'll help with

- advice on your CV
- interview techniques
- lists and websites of vacancies in Portsmouth
- job sites / agencies / recruitment companies
- legal information

See Job Club Board in Students' Lounge for information on location, teacher and available times.

Sign your name on the Job Board to participate

Remember it's a difficult process and takes a lot of effort but we will help you in whatever way we can.
