

Statement on Vulnerable Adults

LSI Portsmouth does not knowingly accept vulnerable adults (according to the definition below), as our staff are not trained or CRB checked for suitability to work with them. In the unlikely event that a vulnerable adult enrolls on a course without LSI Portsmouth's knowing, LSI Portsmouth will not be able to allow them to join any classes. LSI Portsmouth will contact the relevant next of kin, who would then be responsible for ensuring their safe passage home, or to a suitable alternative destination.

LSI Portsmouth does, on occasion, assess applications from students with special educational needs and disabilities on a case-by-case basis. Some of these applicants could be perceived as having a degree of vulnerability; however LSI Portsmouth liaises closely with the student and/or family or ETO to determine whether or not a suitable course and homestay can be provided to accommodate the student's needs.
