Volunteering Programme

What is the Volunteering Programme at LSI?

As well as studying English, LSI / IH Portsmouth can help you complete a volunteering programme alongside your courses. We welcome any students to join this rewarding programme; if you would like to get involved in some goodwill projects outside of lesson times, LSI/IH Portsmouth can help. Whether it's attending beach cleans, reading to the elderly, planting trees, or even organising a musical performance to raise money for a local charity, we encourage all kinds of wonderful work to benefit the local community!

What to expect:

- Help from a teacher with events and contacting local charities
- Use of LSI's Student Study Centre and computers for planning
- Use of LSI's Student Lounge for fundraising events such as bake sales
- Volunteering hours log and certificate at the end of the course
